## What Is enummi Intensive Body Lotion?

enummi Intensive Body Lotion is formulated to provide rich moisture and skin-softening support that is especially beneficial in drier climates. Its unique blend of ingredients effectively supports the barrier of defense provided by your skin and delivers essential moisture to support healthy skin. The light refreshing scent of Thai lemongrass is added to this skin-enriching formula that blends herbs, protective antioxidants, and 4Life Transfer Factor to nourish skin and maintain its natural resiliency. Use enummi Intensive Body Lotion every day to look and feel healthy all over.

## Key Features

- Contains white tea to protect skin from the elements
- Provides a complex range of minerals and amino acids to the skin

## Did You Know?

Taking hot showers or baths can actually dry out your skin. Shower in warm water instead and lightly towel dry leaving behind a few water droplets. Apply body lotion within three minutes of exiting the bath or shower for maximum absorption.
